

The Brentwood School District is responsible for keeping parents, guardians, and students updated on relevant policies and procedures that are in effect at Swasey Central School. This is accomplished by providing an updated 'Parent & Student Handbook' for everyone's access on the school website (<http://scs.sau16.org>). We must have a signed record on file to show that you understand this resource is available to you for the 2017-2018 year. If you do not have Internet and need a hard copy, you may call the school office and one will be sent home.

You are encouraged to read this Handbook carefully and to share whatever information you deem appropriate with your child(ren). If you have questions, please call the school for clarification.

Please sign the slip below and have your child return it to their teacher.

I have been notified that the Swasey Central School Parent and Student Handbook is available from the school office.
